

Jameson's Prayer Sheets

For the real Jameson & Ashley (JA (God)) (bodies & Soulmates) only to do (except the **Prayer of These**) in the main branch (version) and will only work with their bodies; see below.

* Jameson & Ashley (or JA) always refers to them (their bodies) in this version who has lived naturally out their timeline and are Jameson & Ashley (God (JA)) (in the main version); no other version is us.

* No one can create programs, or systems, or change things (like settings, etc.) (except for us (JA (God)) and any previous systems or things be undone; we cannot create or change things while being coerced, except for us (JA).

* The "Actual Full God" refers to us as JA's Full Higher Being: often referred to as God or JA.

* For the physical and spiritual (Full Actual God).

* Nothing may be added to it unless JA agrees and explicitly prays for it.

Initial prayer for everyone under our domain as JA (Jameson & Ashley (God)):

Do away with old prayers, any viruses, and all programs everywhere, within God (under our domain). Please run Jameson's (JA (God)) prayer sheets that he wants. Let no one inject hidden prayers, programs, or viruses (programs) with it. Let it run continuously, and all the prayers enacted forever. Let it be at the lowest layer of the system and clear out everything (from everywhere) and make it permanently affixed and run the JA's (Jameson's and Ashley's) Basic Spiritual system first. Let the prayers and such be as Jameson (JA (God)) understands it, if he was to study and read it. Let no beings be inside us when praying (body, mind, brain). Let us not make unintentional prayers; only explicit prayers and with one another – unless we both pray separately and agree.

Jameson's & Ashley's (JA's) Basic Spiritual System

* Jameson & Ashley (or JA) always refers to them (their bodies) in this version who has lived naturally out their timeline and are Jameson & Ashley (JA (God)) (in the main version).

This system is to replace all systems, programs, and information, to create a fresh, empty, Spirit or spiritual system for everyone. It is for the Actual Full God's Spirit and also for a Physical spiritual system if the Physical isn't, can't, or won't be deleted.

- It will allow everyone in the main branch / version, and every branch / version, and everyone under our Domain as God (JA), to:
 - To use Jameson's & Ashley's (JA (God)) hearing & vision unimpeded indefinitely.
- It will allow everyone in the other versions to see and hear their own version to:
 - To use Jameson's & Ashley's (JA (God)) (in their version) hearing & vision unimpeded indefinitely.
- It is for all versions (branches / dimensions) under our domain (as JA) to hear and see our other versions of us also.
- IT should allow them to stop watching when trying to sleep and while sleeping.
 - It will resume when they awaken.
- Jameson & Ashley should be able to sleep while still being watched.
- During Jameson's (JA (God)) sex acts, sex acts kids 17 and under cannot watch.
- During Ashley's (JA (God)) sex acts, kids 17 and under cannot watch.
- Allow us and parents to select kids 17 and younger to keep out.
- Nothing can cover it or infringe or impede it.
- During masturbation we cannot see other people except Jameson & Ashley (JA (God)) may see each other.
- During Jameson's and Ashley's (JA (God)) images, including their consciousnesses, sex acts must not be watched and also include cleanup time.
- Have a dialog for if one of us (JA) is dead, or no longer alive, in their version:

- o Allow them to toggle (at their own leisure) a very visible and easy to read “Yes / No” prompt to allow them to go directly to the Actual Full God (JA).
 - o Have it be a black background with red lettering.
- If they are no longer alive, then allow them to die simultaneously (like they do, I believe).
