# God's Image

7/30/2026

God's image would be somewhat generic - like, maybe childish-like.  
maybe so

You could expect it to be rounded some. It ~~should~~ should include bits and pieces of all kinds of peoples/races.

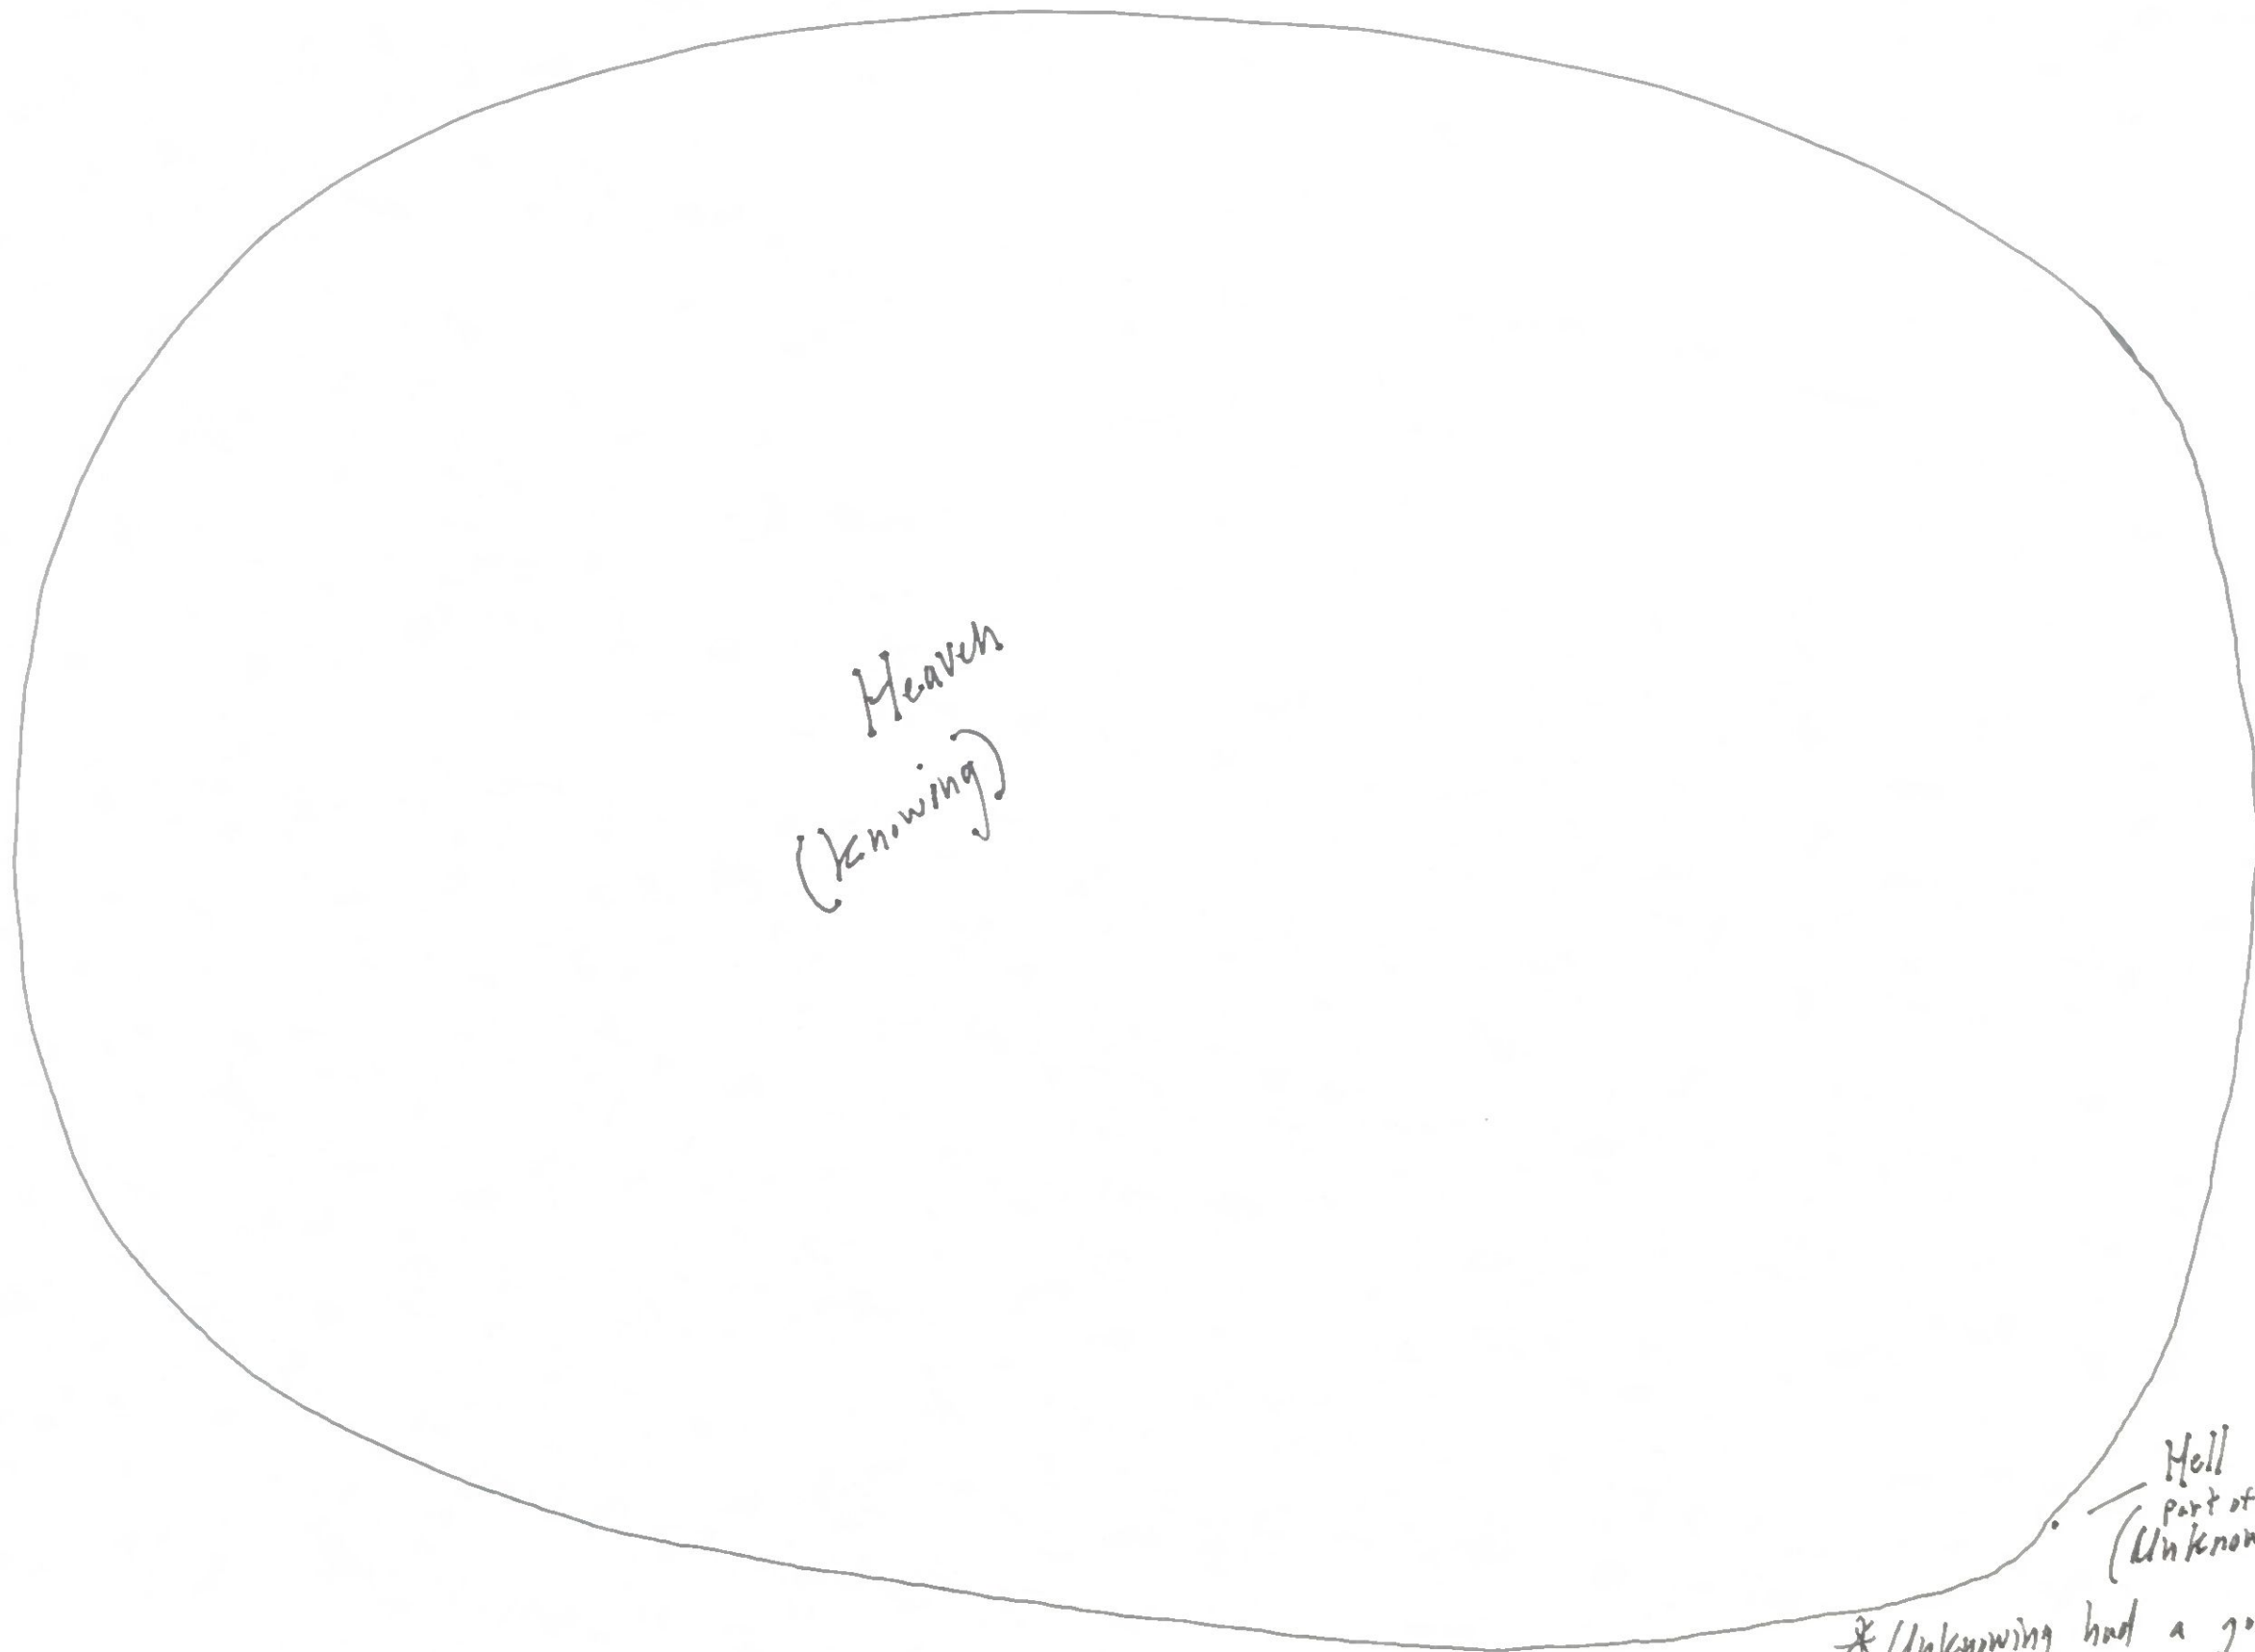

God's image is supposed to include all intelligence of figure with a difference.

I do not like the greatest right now, but we're still in God's ~~strong~~ image.
