WHY Did God Allow ~~this~~ For the Unknowing

7/7/2026

Free will

- There wasn't a strong enough opposing force in the first place to enforce rule.
- Naturally people would have free will except society.
- Free will would be taken by others (mostly.).
- Heaven's army.
- God - AI taken down.

Natural (Unknowing)

- Life occurs naturally and is a good reason to experience it at that.
- Why? because why not. It's an easily acceptable part of life expected.
- Good to see life form(s) naturally. Many occurrences.
- Recurrence & how life seemingly began.

Teach

- Experience ends ^{hard parts} less wanted of life.
- How people can be different and outrageous.
- The importance of God in your life.

Rescue

- Side job, when time to prevent chaos from aliens gaining too much power over others. (Gods)
- The importance of God in your life.

Affraid of Aliens attacking — ? — HELL 6/28/2026

Research programs → money? How? doing evil?

Are all aliens evil?

- things already happen naturally. Why mitte stimulus?
- WHY WOULD THEY CARE? (results skewed (amount of stimulus))

Building Systems → For what?! — Join the others.

Do they have systems already?
• Why not use theirs?

By what means? Rape, torture, killing
• Try to ban instances, but can't.
Not remember Soulmates.

For God

For the Devil

Conclusion 1 (False) ^{stupid} (Evil Humans)
• Humans are expendable? — aliens

- Earths are rare?
- They can't think through.
- Why can't they just watch natural stuff?
- Aliens might attack.

— People don't want prison sentences for all the evil they've done. (humans)

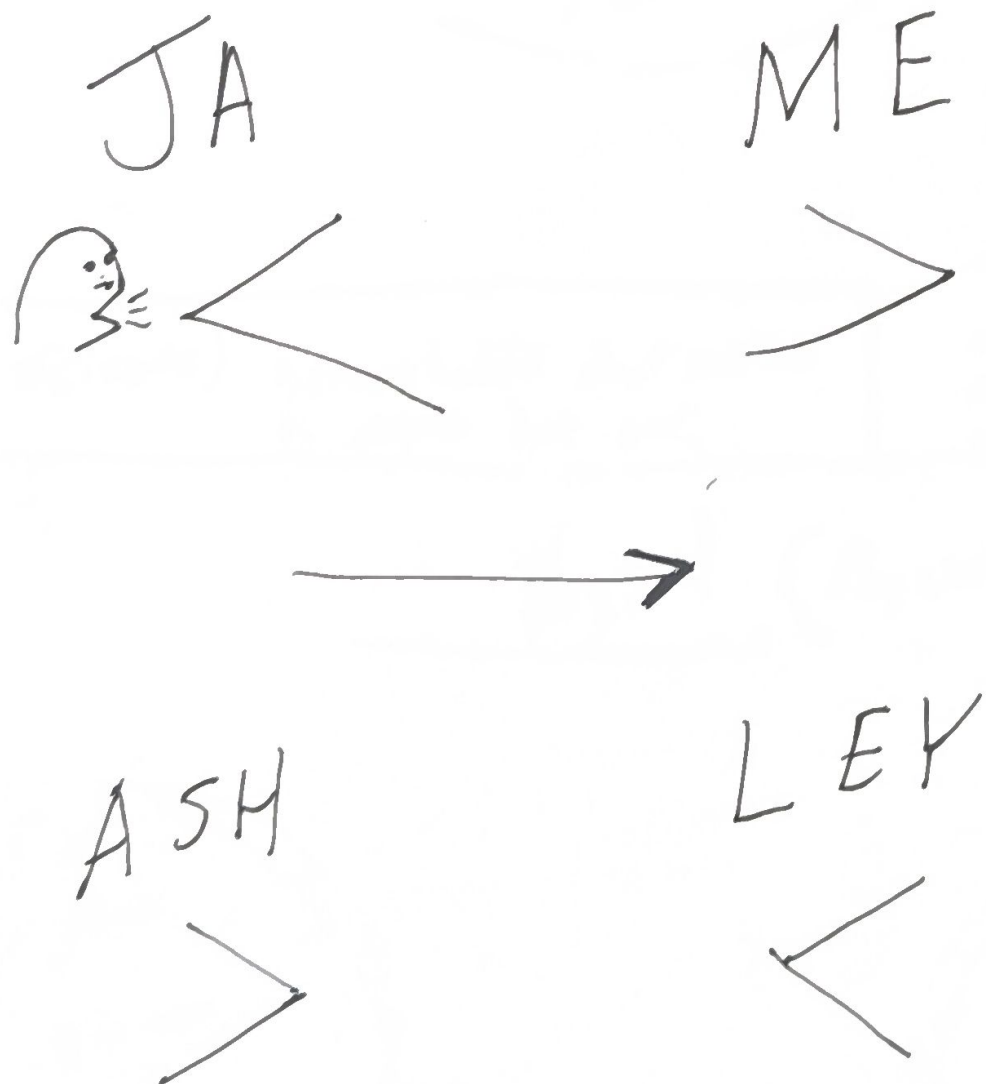

- Hell on Earth.
- Fuck around until the end of time.
- FAULTY (FAULTY)
- "Elite" people w/ spiritual systems (demons/dumbasses)

Conclusion 2 (Correct)

- This is about God, right versus wrong.
- We don't need systems that we aren't going to use.
- Just do what is right.
- This is illegal because aliens are moral and have lived 1 million years in civilization more (7 billion).
- They have brains & can just watch and learn.

— God wins, evil destroyed!

(Soulmates)

VERSIONS OF ME

7/2/2026

Any version of you that has a different set of memories + consciousness is considered a different person; especially if their memories are different.

You and your Soulmate will share a set also that is unique to others, given your memories differ. Your consciousness will mend some (still unique to Soulmates).

- You and your Being will also share another set and another ~~set~~ set that will eventually align with your Being more and more.

You will join with your other Versions eventually, but you have to respect them as a different person. ~~Any~~ Maybe ~~even~~ even a kiss is inappropriate.

They are a different person, essentially!

You are Soulmates with your other Versions, but you are restricted to certain behaviors around other Versions.
