

Summary: HELL SHOULD NOT EXIST!!!

There is hardly a reason for this to continue (see bottom). People may not have learned their lessons enough to be in Heaven yet.

Lessons to learn from Hell

(Summary) People learn how to act and treat others in Heaven when they have power over others and have power like God's.

- Behaviors
 - What to do (act), what not to do (not act).
- Morals
 - Good versus bad (right versus wrong).
- Examples (others' behaviors).
- Experience bad things, pain, suffering that doesn't normally occur.
 - Bad side of life.

Freewill

Freewill is a contributing factor, but there are more important things than freewill, like: privacy and order.

Life Happens Naturally

Life happens naturally, but normally life starts out in Heaven, when starting out as a Human:

You start out, seemingly, as a Human and grow up and learn how to make life itself through learning sciences, histories, arts, and everything. You also have to learn a sacred Wisdom in order to become God. You must have both in order to become God. You and your Soulmate alone become God.

Life can naturally occur from nothing. As I've stated before:

Nothing is a force that gets lonely (unhappy) and creates a void which creates a force that gives Life.

This **Hell** is a result of people not knowing better and weren't with God correctly!

- Lets start being with God correctly by not hurting one another, stop controlling, stop giving others problems, stop hindering others, let's make straight paths for others!

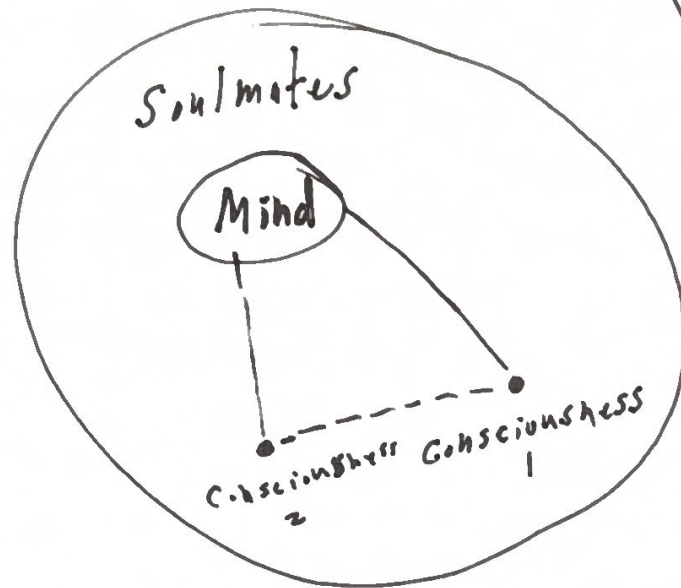

Give Others a Chance to Right Their Wrongs

Please right your wrongs in a respectful manner if you can.

The Coming of God is God and not the devil. The devil does not exist and is only evil and stupidity.

No human is becoming God before the message ends. You could be a new being.

I did say it before, I'm sorry.

We need ^a Angels, not demons; meaning don't do evil. Make good actions, you're choking God out for no reason. You may be confused some on who I am.

~~My~~ My name says it all. Our names are important also.

MAKE STRAIGHT PATHS FOR OTHERS
IN CERTAIN WAYS.

An Angel is God that is suppressed and is a tool for the message.
THERE IS ONLY 1 PAIR THAT IS A REAL ANGEL,
THE REST ARE DEMONS!
