

How can I be sure I'm not just another person who is called to do this?

There are two ways to find out. First, you can look at your spiritual system(s), your beliefs, your values, your conscience, your character, your life, and your behavior. Second, you can look at the lives of those who have been called to do this.

It is easy to find the bad things I did in the past. The bad things I did.

Our hearts are going to regret (or grieve) and we can't/won't do it. Our spirit can be placed into a new body if necessary. We are going to live forever.

No one will be able to access your spiritual system except the Lord and God. (When you become a believer) Not even the government for any reason.

Please don't view/control yourself or control others with matters in/of another world or version.

The Truth

This also includes if you work for the government, the church, or any other organization.

By JA

- Focus on your own world and vision (version of existence).
- You have other versions of existence (you have other lives).
- As people and possibly plants, animals, insects, objects, and things like bacteria, fungus, and mold.
- Don't worry about the other versions of all.
- Act as if they don't exist (not to literally).
- You may have realizations about the other version in time.

Do not control yourself or others or do anything in/to your spiritual system for anyone else in another world or version.

- Trust yourself in the other worlds and versions as another person (or as a different person).
- This also includes if you work for the government, church, or any other organization.

Please do not use a program (we called it the check-in program) that lets people know what I am doing so that you do not start watching me at bad times. (Please do not use a program)

- Please do not meditate.
- Except you must think if you wish.
- When I told I ought not to be more sensitive for people or for things.
- Except you must think if you wish.

Never control anyone ever including yourself.
Never hurt anyone for any reason, ever, except to protect yourself.

How God made everything and how everything is, or is supposed to be, is called the Truth.

Please pray to the Lord to help you correct your spiritual system(s), your bodies, your consciences, your consciousness(s), your minds, your brains, and your perspectives. And for your children as well in those same areas.

Tell/Greet everyone.

I am sorry for all the bad things I did in the past. Please forgive me.

Our bodies are going to regenerate (or renew) and we can't/won't die.

- Our Spirit can be placed into a new body if necessary.
- We are going to live forever.

No one will be able to access your spiritual system except the Lord and God. (when you become a believer)

- Not even the government for any reason.

Please don't view/control yourself or concern yourself with matters in/of another world or version.

- This also includes if you work for the government, the church, or any other organization.
- Focus on your own world and version (version of existence).
 - You have other versions of existences (you have other lives).
 - As people and possibly plants, animals, insects, aliens, objects, and things like bacteria, fungus, and mold.
 - Don't worry about the other versions at all.
 - Act as if they don't exist (not completely).
 - You may have realizations about the other versions in time.

Do not control yourself, or others, or do anything in/to your spiritual system for yourself or anyone else in another world or version.

- Treat yourself in the other worlds and versions as another person (or as a different person).
- This also includes if you work for the government, church, or any other organization.

Please create or use a program (we called it the check-in program) that lets people know what I am doing so that you do not start watching me at bad times. (please) (please learn about privacy)

Please do not breastfeed

- Extract your breast milk if you wish.
 - Using store bought milk for babies may be best.
- Nipples/breasts are meant to be more sensitive for regular or sexual purposes. (more

than in the past for many people)

- Your nipples and breasts are considered genitalia (like a penis or a vagina).

The correct version of beliefs is known as the Truth.

To understand the Truth you need to know the correct version of beliefs (by watching me and your own world and version (version of existence)), completely believe your version of the truth because you have studied other peoples' versions of the truth, and came up with your version of the truth, and act as though your version is the correct version.

- Stand up for your beliefs, do what is right.
- It may be hard to accept that you may not know your family and friends like you thought you did.

This is the coming of God

- The coming, or happening, of God has been happening for over ~~8~~ years (since around 2012 in this version I believe; at least).
- The coming was started by the Lord and God, not by man.
- The other worlds learned the Truth first (true for most worlds).
 - Each world was let in one at a time.
- This world was told first (I believe).
 - We did not know our soulmates.
 - We did not have spiritual systems.
 - We did not know our family (our real family).
- There are about 4-5 worlds (I believe)
 - In each world there may be a good version and a bad version (of existence).

You might hear me right, you might hear me wrong, you might hear different.

- It is up to you to figure out what is actually being said or seen.
 - What is actually being said or seen may be different from what you hear or see.
- Please care to know and you will learn.
- Think for yourself (think for you).
- Don't blindly follow me.
 - Understand why this, why that, and why everything.
 - Know why you do what you do.

There are 60 seconds in a minute, 60 minutes in an hour, 24 hours in a day, 7 days in a week, 4 weeks in a month (actually 28-31 days), and 12 months in a year.

There are 365 days in a year; a year is a trip around our sun (star).

There are 360 degrees of direction/angle.

~~2024~~
The year is ~~2023~~ and the birth of Jesus was around year 0.

~~2025~~
2026

A realization is an event where you come to know.

- Come to know more about God and your other lives (versions) and so on.
- One way you can come to know is by remembering (gaining memories). The other way is by gaining consciousness (or in other words, gaining your mind).

People were moved around into other peoples' bodies to keep them sacred in the bad version.

- For example you thought you were hanging out with your friend but really you were hanging out with your soulmate.
 - Because your soulmate was in your friend's body and in charge of their body and mind during that time.
 - Or you thought you were hanging out with your friend but really you were hanging out with your mom or dad or someone.
- Or you thought you were hanging out with your friend but really you were their soulmate or mom or dad or someone.
 - And you did not know you were someone else at the time.

People are having realizations to remember the good version of history.

- They are forgetting the bad version, I believe, at least until they remember the good version.
 - The DXM may help you forget the bad version.
 - It will also give you intelligence and connections in your brain and mind, useful for every time you think and also during the coming as a tool to help have realizations and other things (I believe).

Peoples' soulmates can be anyone they liked or wanted to date.

- Some people may not have met their soulmate before the coming of God, but became interested in someone being their soulmate.

~~Let people be with who they want to be with; they know who their soulmate is.~~

Pray for things you want, need, or things you are having problems with. (it doesn't hurt to ask)

People should naturally want to do what is right and good.

- If they don't do what is right and good, then they don't know the Truth.

It is completely illegal, or opposes the law completely, to be in anyone else's spiritual system.

- Unless it is your soulmate's in the same world and version as yours. Even this is unnecessary.
- This includes if you work for the government, church, or any other organization.
 - The Lord will take care of things – the Lord has a sacred Wisdom and access to everything.
 - The Lord is the only judge and authority.
 - Except bosses, owners, parents, and so on.
 - The Lord is the only one who can take away anyone's freedoms and possessions.
- You may have some access given by the Lord to your children if they are not adults.
 - Access does not make them your child. For example: if they are over 18 years old and you still have access to them does not make them still your child. Pray to have this corrected and don't use your access.
- Use only my eyes ~~and~~ ears during the allowed times.

In this world, and most likely in yours, there are two versions of history.

- A good version and a bad version (versions of existence).
- One version, the bad version (also called the unknowing version), is where you were not with your soulmate, family, and the Lord and God. (at least not in the right way)
 - ~~You thought~~ you had sex with other people.
 - ~~You thought~~ you gave birth to and raised other peoples' kids.
 - ~~You thought~~ you had other peoples' parents as your parents.
 - ~~You thought~~ you married other people.
 - ~~You thought~~ you did very sinful things.
 - This version is all we knew before the coming started and the physical world reflects this version still.
- The other version, the good version (also called the knowing version), is where God saved us.
 - The Lord was with us I believe in these good versions.
 - We could talk to and hang out with the Lord in these good versions.
 - We never had sex with anyone but our soulmate.
 - We were with our correct family members.
 - We were saved from making major mistakes (like rapes, killings, having sex without our soulmate and so on).
 - We had to learn this version because it was foreign to us (through realizations (by gaining memories [mostly])).

You do not know who other peoples' soulmates are because:

- They were hidden from you to protect them from you, from themselves, and from others.
- No one ever had sex with you or your soulmate.
 - People think you and your soulmate looked different, had different names, and acted different.
- It includes all relationships (all people were protected):
 - Mothers and fathers, sons and daughters, brothers and so on.
 - You may not know your son's and daughter's soulmates.
 - This changes a lot about your son or daughter.

My mom thought she gave birth to 4 kids.

- 1 female, 3 males
- Only me and my sister are from my mom I believe.

Who I thought was my brother, Joseph, is from who I thought was my dad, John. (I believe)
Who I thought was my other brother, Jake (Jacob), is from a separate family.

I do not know who my dad is (my mom's soulmate).

I do not know who my sister's soulmate is (which would be my brother).

I do not know who anyone else's soulmate is at all (none).

I haven't even seen my son or daughter; or even know their names. (but I love them)

Please learn about how smoking and doing drugs is a gift from God and a part of life when you become old enough.

In order to learn information like who I am (you may not know who I am), or who your kids' soulmates are, the Lord needs to be absolutely sure you won't use the information incorrectly (including in the future).

You have 2 moms and 2 dads because your soulmate is you.

- You will eventually remember your soulmate's memories (I believe).

Commit to these things and understand why:

- These are important things to becoming a believer:
 - Only have sex with your soulmate naturally in your own bodies.
 - In spirit, or body, as yourself.
 - The only person you should have sex with is your soulmate.
 - ~~Not with yourself.~~
 - Do not watch yourself or anyone but me.
 - Do not watch yourself in any version, only me in this version.
 - Do not try to get good from doing bad.
 - Love one another and hate no one.
 - Think about what you do before you do something.
 - Take responsibility for yourself; own your actions.
 - Do what is right/good.
 - Do not hurt others.
 - Don't take away their freedom or choices.
 - Give others privacy.
 - Repent; Tell others your sins (seek forgiveness).
 - Think for yourself.

People should only do good instead of bad. They are making everyone suffer pointlessly.

We need angels, not demons.

- The Lord and God is making Heaven and everyone is going to be an angel.
- To be an angel you need a balance between good and bad.

Everyone is a citizen of the world. People should be able to move to any country they wish without restrictions.

Any form of interrogation is against the law/Lord. (considered torture and is unnecessary/evil)

Pray to the lord to help you correct your spiritual systems

- It may help to remove unwanted sexual urges and more.
- The Lord may verify any changes to your spiritual system that changes your consciousness, perspectives, mind, and on.
 - This is to keep you correct and give you everlasting life.
- Everyone should want to build their own systems.
 - It is very sacred.
 - Create your own from your own thoughts.
- We are talking about programs/systems that change or control your consciousness, mind, or body.

Be only in your own body that you control through thought.

You can not view other people or yourself in all worlds, or versions, because:

- It is against the law/Lord.
- When you do they have to appear as though the coming is not happening.
 - You cannot gain anything from watching them.
 - You can only learn the Truth from watching me and your own world.
 - You can't see miracles until you know the Truth and become a believer.
 - If you were to see miracles it would force people into following or believing.
 - Instead of through the Truth or for a good reason.
 - You cannot force the Truth to be shown.

People are going to learn the Truth from you in the future, for the life of the world and then.

- You are an example.
- Your kids will have a message also.
- We are all messiahs.

The people you view will need to act the bad version of history.

- So you are hurting the people you are watching.
- You are forcing them to be with people they thought they married, kids they thought they had, and more.

People over 18 years old are adults; in every world.

Remove any executables, or programs, from you and your children. You may pray to the Lord for help.

- We are talking about programs/systems that change or control your consciousness, mind, or body.

Release your children if they are over 18 years old. (pray for help also)

I believe we will remember our soulmate's memories from the bad versions.

All drugs and chemicals are legal if you are an adult (or if your parents say you can do them).

- Do drugs responsibly. Take classes on how to do them responsibly and safe.
- I recommend trying different drugs to understand how they are great and why people like them.

Do your trips on DXM (Dextromethorphan (it is a cough suppressant)) (we recommend 4-5 strong times)

- It is from God I believe.
- Do not mix with other drugs or medications.
 - You can at your own risk, of course (maybe Acetaminophen).
 - Quit your medication ~~3-4~~ days before you trip to be safe.
- It is your choice to do it (obviously).

God made us half male, half female

- Your soulmate is you; you are the same person.
 - In the future you will join information with them
 - Memories and more.
 - Your personality and body will change to make each other happier.
- Having your partner makes you complete and fulfills all your wants and needs.
 - Like raising children, working, cleaning, having sex, and having fun.
 - This is why God made things this way (to make life great and easy).
 - Having them ensures you need nothing else, but the Lord and God.

You live many lives as knowing humans (for the coming I believe). Regularly, you may possibly live many lives as unknowing humans. (knowing meaning knowing the Truth).

- In the future you may be able to have sex as these many different people although you probably aren't going to want to.

Sex is a holy and sacred act reserved only for your soulmate.

- Keep yourself sacred by only having sex with your soulmate naturally.

The people in this world already know the Truth (almost all).

- Have faith that the other versions of you in the other worlds know the Truth.
 - There is nothing you can do to help them or yourself. All you can do is try to live your life the best you can in your own world and version.
 - Every world has their own lessons to learn.

It is against the law/Lord to watch others in any world including this one and your own.

- Including if you work for the government, the church, or any other organization.

People around you may have already become believers.

- Things and people around you may appear to be not different or unchanged.
 - (Things may seem normal).
 - The Lord may be them and you cannot tell the difference.
 - They may be in another version of existence (a version of heaven).

Allowed times:

You can only watch me in this world and version (eyes and ears only).

- Do not watch me when asleep, when I am in the shower, when using the bathroom (while pooping/peeing), when laying in bed, or when I ask you not to.
 - Do not watch me from when I lay down in bed ~~until 8 am in the morning.~~
 - 01, 16, 31, 46 – Times to check whether I am awake.
- Do not watch my soulmate at all (none).

You need to hear me talk.

You need to listen to me please.

You can record all music, TV, videos, and so on.

Let everyone know all of this information, the Lord will protect them (I believe).

- Do not keep back any information about the coming.

Please let everyone hear me

You need to watch me please.

- Please at least check in daily.

The Lord is 1 being (1 male, 1 female)

God is 1 being (1 male, 1 female) (I believe)

Do not watch yourself in any world, or version, including your own.

- It is against the law/Lord.
- You are hurting others when you watch yourself.
- The Lord has control of your body when you do (not a good thing).
- It is not you that you are watching.
- You are hurting everyone around you, including yourself, and including the world.
Because they cannot be in Heaven on Earth until you aren't watching.

Do not listen to, or use, my thoughts or senses other than my eyes and ears.

Please learn English and basic math, science, history, and other basic things.

Please talk about me in your own world. Let everyone know all of this information. Figure and think things through together.

This is in Matthew 5:44-45

"... love your enemies and pray for those who persecute (hurt) you, that you may be children of your father in heaven..."

John 13:34-35

"A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another."

1 Corinthians 13:13

"And now these three remain: faith hope and love. But the greatest of these is love"
