

# Why am I in prison?

10/13/2014

To give the message of God and Life

Because I was arrested for 2 email protection order violations.

Then they raised it to stalking and are accusing me of attempted burglary.

Some girl with a name just like my wife's, ~~except~~ <sup>except</sup> my wife's middle name was ~~Linn~~ Linn and the other girl's was Lynn.

- She claimed my wife's information as hers and I didn't know the difference.

- I ended up changing my wife's name to that other girl's name by mistake.

- I'm completely innocent and are waiting for people to realize what I say as being correct.

Every person is separated into two parts male and female. We call them soulmates because you share everything with them, including your soul (mind, spirit, memory, body). Since your actual existence you have spent with them.

In the Physical or Realm 1 (one) we were forced to be with other peoples' husbands and wives, have ~~the~~ other peoples kids, lives, possessions, parents, and so on.

Other people including your kids' soulmates, their ~~identity~~ <sup>identities</sup>, activities, images (bodies), race (body colors), names, have all been changed and ~~switched~~ <sup>switched</sup> around to ~~protect~~ <sup>protect</sup> one another.

People didn't ~~understand~~ I was her soulmate. But I am.

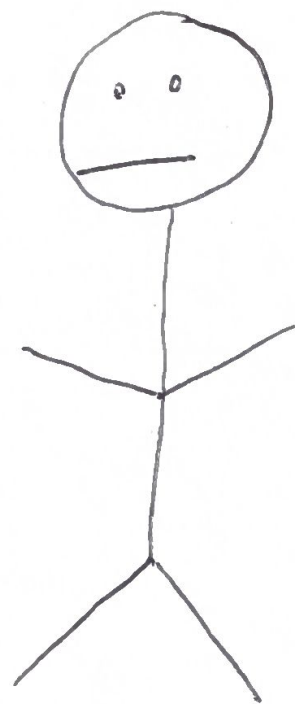

You may not know who your son or daughter is a soulmate of. They have been protected from you so you may not have ~~sex~~ sex with them as well as others. (adults, friends)

# You (seemingly)

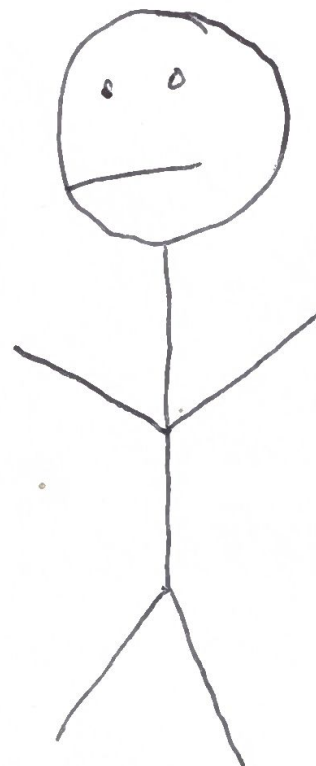

- You make our lives meaningful / purposeful
- You make every decision. (or allow the decision - same thing)
- The Lord is everyone and everything (in their Being).

We are multiple beings<sup>s</sup> at same one time

~~scribbled out text~~

They are being called  
sub-lives, additional lives,  
side ~~life~~ lives.

All at once

You need to find the Truth about politics

- You should ~~have~~ come to ~~being a~~ ~~conservative~~ conservatism is greater than ~~Progressivism~~ ~~Progressivism~~
- Being equal is not what God wants because life is greater with differences.
- Being conservative means being independent which prevents problems from occurring.
- There is only one side and that is the Truth.
- We also need capitalism to flourish.
- Please follow the principles of Glenn Beck.

My Ashley went to Heath HS class of 2003  
I went to Newark Catholic ✓

Ashley and I went to CTC together in 2001 to 2003  
during high school for a program called "Tech Prep"

That email address I sent the two emails to was Ashley Linn Cross!  
because I used it years previously, over MSN Messenger

That photograph was a picture <sup>to talk to her</sup> of my Ashley Linn Cross  
it was taken by Beverly Loughman

Her DNA changed profiles to be like the other Ashley Lynn Cross

This other Ashley Lynn Cross was born before 1983

This other Ashley piggy backed my wife's information and illegally accessed  
our email ~~address~~ <sup>account</sup>. She had already plead guilty in another realm.

The time I sent an email saying I was going to kill myself someone called  
from Dublin (the officer said). My Ashley was not living in Dublin.  
I would like to help prove my Ashley's innocence.

## I am an Angel of God

- The Lord and God is trying to create Heaven on Earth
- "The Coming" or "The Happening" of God has been happening for over 4 years (IIII)
- You are in 4 different worlds, but you can only help yourself. Each world has a good and bad memory channel, track, or version. The only way to help them is by learning the Truth because some things carry over to the other worlds. Your goal is to follow me and be free of all operates (controls) and to join Heaven.
- Being free of all unnecessary operates is the way God intended us to be because that is the way to use the intelligence or smarts of God and the Lord. Not everything can be constantly great, we must use moderation. We should rely on God rather than our inferior knowledge and wisdoms (spiritual system and more).
- In our bad souls we were moved around into other peoples' bodies to keep our relationships sacred. While doing so, we gained possessions like clothes, jewelry, houses, cars, businesses. This is a major reason why the coming has been happening this long.
- Lots of people were married to the wrong person (mate).
- The average number of sexual partners is/was 3 (III). *for each. ~~person~~*
- Everything is fine now, the Lord saved us!
- Our dreams have been coming true!
- The more Truth you learn, believe, and stay believing, the more good memories you will remember. So you need to learn why the Truth is the way it is in order for it to matter or count (or mean/make something).
- We need to be balanced, which can happen by just relaxing and being yourself. Do not try to be nice or mean, just normal.
- People are not hearing or seeing the right message. The way to see it in it's correct form you need to pick out what your messiah says is right and what is wrong; and follow that way.
  - Trust/Think in yourself and do not rely on others to tell you things.
  - Discuss it with others
  - Be open-minded
  - Not everything can always be good
    - Would be too boring; we would want to die sooner

Our image make us who we are, or who we are are our images.

Our image means everything as to who we are except spirit is ultimately who we are and most important.  
(memory) (records memory)  
distributes

We must have both image and spirit to have a real true being; and image.   
mainly Ashley ties us

The body is a possession that we must have to house our image and spirit and is given at birth and is most private and most sacred.  
(allowed / privilege)

- A tool (a very important tool)
- Our images were kept with the all with the body.

images  
our ~~bodies~~ stayed with our body.

(replaced images memory)

(real memory)

- We can accept it as being more important or more real than the memory that we thought.
