JA believes:

- The way our Spiritual systems work without extra executables or systems is the only way (almost) to remain happy and live a long life without ~~not~~ going through unnecessary hell.
 - How our ~~sym~~ systems will be is using all the intelligence of God and Life (the Lord assists us).
- We should only have sex in the Physical, if at all possible, then in Spirit secondary. (2)
- We should stay away from seeing or feeling our kids sexual organs ~~as~~ as much as possible.
 - We don't need to see or feel them, unless ~~for~~ they aren't toilet trained.
- Only have sex with your ~~Bas~~ soulmate ⁱⁿ ~~with~~ the way they look in the Physical. ^{with}
- In one God. ^{died and (unsure now)}
- That we are everyone who has ^{contributed} ~~played a part~~ in ~~over~~ anyone's ~~life~~ lives. (completely) ^{contributors}
 - That ~~include~~ we were any major ~~contributor~~ of anything in the world.

Jesus' Death & Resurrection

- There was darkness and an earthquake during his death/crucifixion.
- Jesus rose 3 days later.
 - He met with his Apostles, guards, Mary M., Mary Miriam, etc.
- Had a gathering/~~party~~ party. (before he left). (after he rose)
_I
- He was wrongly accused (like me).
- He was tortured (starved, whipped, thorns on head, ^{carried} cross, crucifixion, speared, death).
- Had a "last supper" which has been a Catholic tradition.
 - (communion); "Body & blood of our Lord Jesus Christ"

Spiritual Privacy

Oct. 13, 2014

No one may access, control, or have ~~any~~ power over your **Spiritual** system, body, mind, or memory.

Never will the Church, & Temple, State, Government, or any organization make you use a program or have you give them access to your **Spiritual** system for any reason.

- As God, me and my wife know everything and will ~~s~~entence people before their arrest. We are the only Judge. We created this Cosmos, and Universe, and more. We are here to Live and Rule Forever (or for Eternity).
- If you arrest or detain anyone before we sentence them you will be sentenced yourself. Our sentences are immediately made and given.

the Truth "Good and Bad" Oct. 23, 2014

All Truth, no matter how good or bad, is good.

- This is because ~~and~~ God corrects the bad into good.
- We never need to suppress, restrict, or hide memories, media, and so forth. (the Message)

Life and everything in it is good or bad and bad is necessary to identify the difference, which allows for good to exist or be identified into existence.

- If you cannot compare good against anything, then ~~if that~~ how could you know what level of good it is? you couldn't.

- An example would be having sex with your soulmate in a sacred way versus having sex with a girlfriend.

Bad must only be done by God, NOT man.

Hell is Real

Oct. 13, 2014

Hell exists because we need to know all parts of life.

This includes very evil, bad things like Hell and demons.

There are ~~at~~ also many ways to achieve the parts of Hell that are needed for a being to become more like God.

Hell exists also to become God, because we ~~to~~ need to experience all the bad things as well.

- You could call this bad intelligence.

Hell was talked about a lot in the Bible (especially in the Old Testament) and that is why, because it does exist. And we ~~shd~~ should be afraid and we should fear the Lord.

- Leviticus 20 - "Penalties for various sins!"

- ~~Leviticus~~ 19: ~~29~~ 31-32

Leviticus

Bad can never be done for a good purpose by man;
only by God. *

What is sex for?

Oct. 13, 2014

Sex is only for you and your soulmate, NOT GOD!

God has his own soulmate to have sex with and your sexual acts are not welcome or wanted; it is called adultery when you share your sexual acts with another being.

We are you and your soulmate and have had sex everytime you have. So if you want to please us then have sex ~~as~~ with your soulmate and ~~stay~~ stay sacred or holy with them. We are your soulmate and you. Do not think of us or another person when you have sex.

Adultery is a sin/crime.

Sex is to enjoy life. An orgasm ~~is~~ (during sex) is one of the purest forms of enjoyment that we could feel as a Human.

Soul mates

Oct. 13, 2014

You and your husband or ~~wife~~ wife are the same person. You both share the same mind, memory, and bodies (soul).

~~You can pray to ~~switch~~ switch bodies. This is often used during sex.~~

Your soulmate helps you to not be hateful, full of envy, full of jealousy but helps you be full of Love, kindness, courtesy, awe, and so forth.

- This is why everyone has a soulmate that is unseparatable from them. You must be together always ~~until~~ unless the Lord says you may temporarily separate.

Having a soulmate ensures that you do not affect the wave negatively. Because your husband or wife helps correct your negativity into positivity; keeping negativity from outside of ~~the~~ the wave.

- Makes the world a better place; free of negative energy.

Never ~~never~~ use anyone else's senses or thoughts in any way. And at any time. (except my eyes and ears)

- ~~Touch~~ Touch, smell, taste, hearing, sight (vision)

~~Ben~~
Because we're giving the message of God, I allow for my eyes and ears to be used as well as a channel (track) of ~~sound~~ sound in my ~~spirit~~ spirit. (if you ~~can~~ get to it w/out hacking, 3rd spirit / 3rd soul / Extra being...)

~~This is~~
Sharing any of your senses is not good and takes away privacy and takes away experiences of others.

- This also applies to memory.

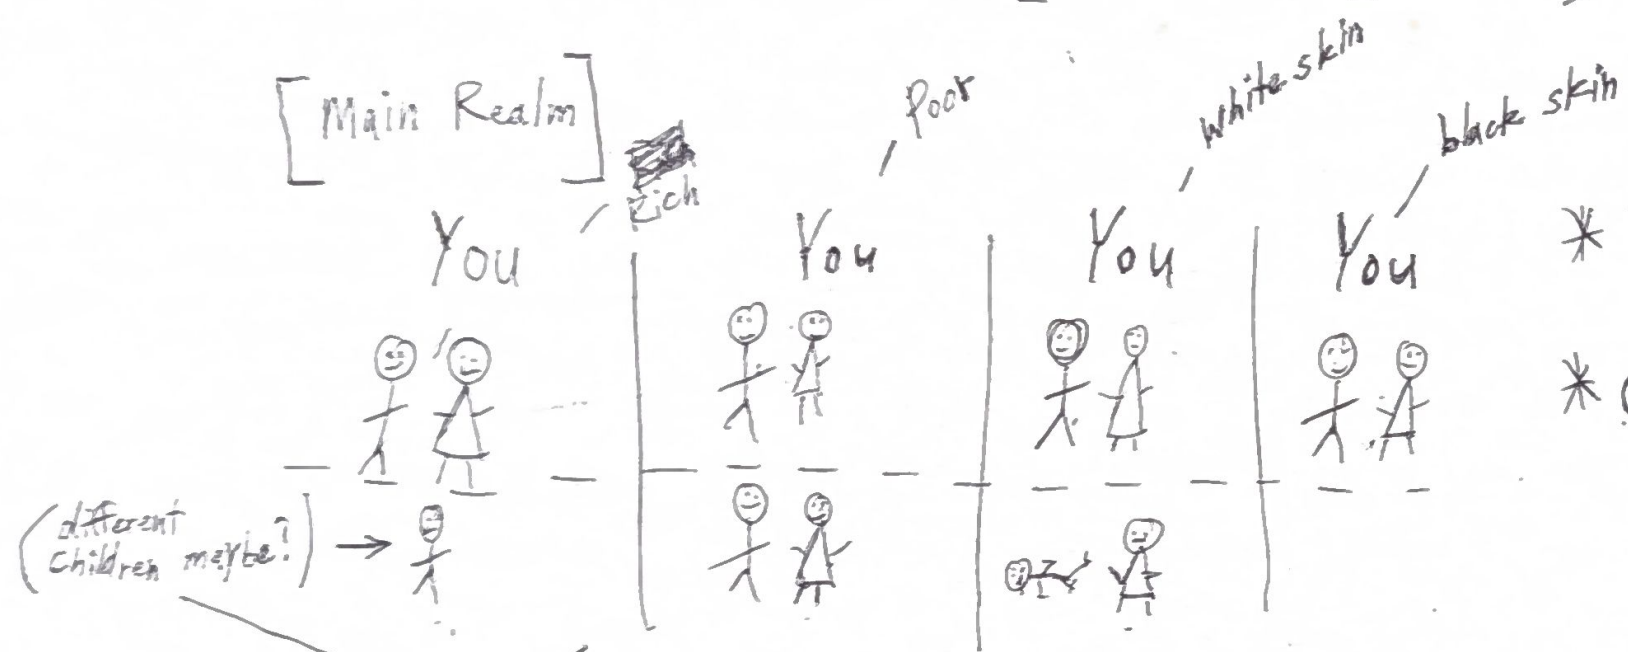

~~God~~ ~~know~~

God knows about what we want more
Lord than us.

I can hardly see her image

My image changed dramatically since in jail
her DNA since before jail

Ashley and my dad showed up
when I got arrested in our
Mazda 3.

~~the male was~~

- The male was most likely my
dad or my son.
- I disregarded it because of the
male (I believe it was a male)
- I think it was my dad as
backup Victor

~~The cops talked to her~~ (At the time)

• The car stayed there the whole
time I think.

• I got mind-blocked a lot. (I forgot)
• After and about the car.

But went to somewhere else where
the other Ashley was.

IM means Instant message

Once I got out of the mental home I stayed at my mom's and Bob's and I slept on a mattress in the living room. I had them making me meals, and coffee, etc. I don't remember how long I stayed there, but I was trying to help the investigation and continued to get tortured by "the department."

Somehow I decided to go stay at my Grandma's (Marjorie Ford's) (W. Locust st, Newark, OH) ¹⁵²
I believe I ended up ~~learn~~ learning all the investigation stuff was fake and went on a search for my child that I supposedly had and could not ~~find~~ find him. I looked for him for months. I found out I was the ~~mess~~ Messiah and that Ashley was my soulmate. I showed people about living life with Freedom (like the U.S.). I had some Dextromethorphan sacred acts. I taught people morals, and values, and some things about Jesus. ^{8 or so} (8)

I got a protection order against me and I told everyone they should believe me and "know" that I was with her and they thought I was talking about something else.

Everyone seen me write her emails because I invited everyone to watch.

~~Everyone~~ I sent her an IM over MSN Messenger with my email (vca100@hotmail.com) in high school or around then.

One time before or after Sheppard's Hill ~~my mom took me~~ ^{I got taken} to the hospital in an ambulance and I passed out in the bed and woke up to my mom blowing her nose ~~and~~ crying and my nose hurt + bled, I was told by the Lord ~~that~~ (who is me) that they performed surgery on me. I treated the supposed "holes" with a cutip ~~at~~ and triple anti-biotic ointment.

2 Channels/tracks/versions of memory/soul per physical

Scenario → getting a horse out of a stall to brush it at a fair.

- Actions →
- got a leading rope
 - got a brush
 - hooked the horse to the leading rope
 - walked to the front of the horse
 - walk to tie off area or shower

Things that could not be changed →

- footprints
- lead rope in hand, height
- Brush in hand, height

(regarding the scenario)
everything the same except:

- The person getting the horse out
- footprints
- lead rope
- Brush
- Interactions/Responses

Facts:

- Your DNA (body's information contained within cells) should have changed. *

- Me and my wife's has. But we became uglier

- If you're become uglier it would mean that you do not know the Truth. (generally)

- You are watching the wrong Messiah.

- It may mean that people around you do not know the truth (Truth). * including you.

- People may be watching you because you are evil and don't know the Truth.

- Stop watching the TV, reading the news. (to help stop the lies)

- Everyone finds out themselves; stop relying on other people to tell you!

- They got taken over when they found out!

think of becoming balanced

* work to disprove your Truth *

* pray to join your mind with your soulmate *

More Facts about our message/how:

- I've been treated horribly (badly) by myself for our message of God.
- Sex must only be had with your soul mate.
 - There is only one form of sex, they are all the same (feeling)
 - Her natural image ↔ His natural image
- * You must include your soul mate if possible or else it is adultery
 - sex - • sex in physical, spirit if necessary then sex alone in physical if necessary, then alone in spirit if necessary.
- Sex alone must be only in imagination of your mate's natural image, that is current, when both in the physical or in spirit. (for now).

Problems: (for the message)

9/25/2015

- I can't hear or hardly communicate to Ashley (or others)
- I have no spiritual interface, screen, or GUI
- Ashley can not contact me in the physical
 - for the message.
- I'm in jail/prison.
- People can not or will not listen to me??

God ^{is} does everything ^(easily if he wants) Why does God need help doing these things?!?
- HE DOESNT -

- In the Bible, God is said doing many things, for example:
 - Genesis 1:3 - "Then God said, 'Let there be light,' and there was light.
 - 1:27 - "God created man in his image; in the divine image he created them; male and female he created them.
 - 2:8 - "Then the Lord God planted a garden in Eden, in the east, and he placed there the man whom he had formed.
- One = I = He = Me = Her = It
- God is not man!
He is a person.
One individual (male + female)
More than man → God ("The Lord")
- How many people does it take to plant a garden? 1-2 people
- Why would more than 1 person form a man?
 - why would more than 1 person place a man there?
- Would these activities take more than 1 person? NO! maybe their soulmate would help.

- God does everything, as 1 person (male + female)
- God interacts with his creation completely; person to person. (God answers prayers - pray!)
- I'm God! I want to do things... I want to live, I want to help others become God... like me (James & Ashley) (Cross)
- I don't want someone else claiming my actions all the time. For you, I want you to claim your actions in the future (because I'm God) (I want the best for you) (live your person + life to the fullest). (I want you to be able to claim your actions to the fullest) (Where would I ~~fit~~ fit in?) Jameson Michael Cross (was Tolliver) Ashley Lucille Cross ~~born~~ → born 1985 (Lucille) (Lynn) (Lynn on accident)
