

4/25/2026

When someone is someone they are always someone.

- Meaning they are always their body and it is ^{unchangeable} ~~unchanged~~
concrete
- They never just get switched around.
- They have to share themselves with others during certain moments.

If you do what is right, then you may be protected.

- We were saying that earlier in the coming others around you may appear to be normal, but may be in a version of Heaven.
- Ask the people in you to delete ^{all} their programs and all information.
- Ask them to die and move on.
- Imagine pushing them down out of your body and deleting them.
- Ask them to join your consciousness if they ~~are~~ are you, otherwise leave.
- Don't pray for dumb shit like having sex, being in other people's bodies,

- You will no longer be a part of us. ~~info you~~
- If you don't get the message, you are excused.
- Our held money must be returned; depending, because restitution may be made.

- Your soulmate is the only one that should make you horny. (in a normal world)
- You ~~should~~ never get tired of your soulmate's image. They change only piece by piece over time.

How I'm funner than anyone

I'm funner than anyone (or will be) because I am God, in 5/2/2026
essence (actual reality), and can be anyone at any point in time.

Being funny can be practiced and somewhat achieved, however it is God-given.

We will all be able to be funny/fun to varying degrees, but I will be

fun to the max because I have great ability as an Angel/God.

Jameson + Ashley

I've had more lives than anyone and have more ability

in different ways and can know what will be funny to ~~other~~ others around us.

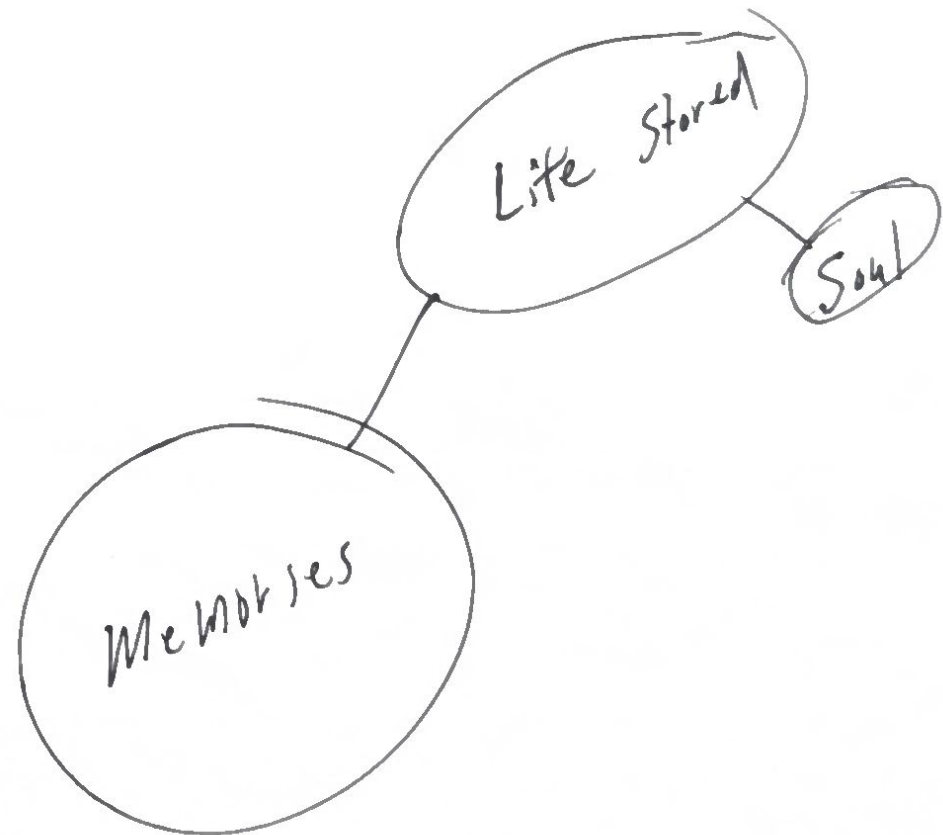

• How? as God I will eventually be able to access beings around me.

Controlling others

5/1/2021

You cannot control others. ever This includes:
!!!!!!
.....

- Healing.
- Putting in directives/orders.
- Taking memories.
putting
- Taking things from another being.
- Using others' bodies. (or trying to).
-

Gosh - send message, welcome package

4/25/2026

- Join Gosh other Gods.

Why were God and not the Devil, ever

(I don't really normally believe in magic) 5/2/2026

The devil or Devil is not a person or actual thing, per se.

The devil is just stupidity, in a form.

Others may think I'm evil, because they don't understand me.

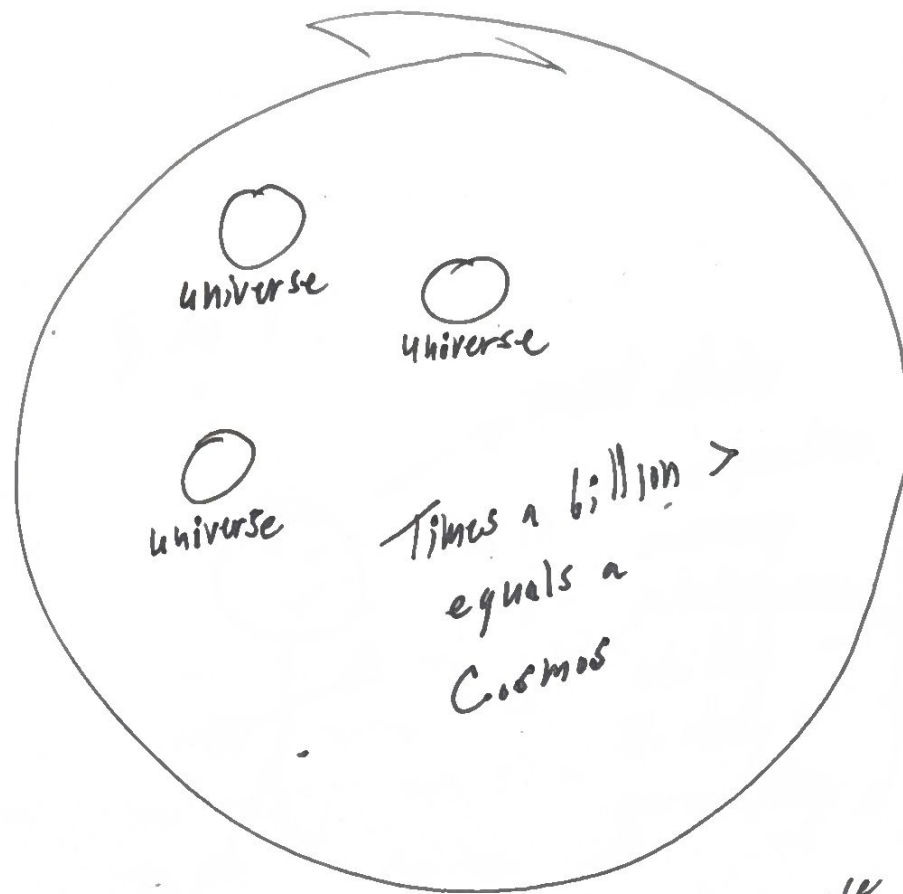

Or they hear me wrong.

Or they may not see things right.

Others may use my image to portray me as evil.

mostly all aliens are
peaceful, kind (super),
smart beings.

• Hardly any would ~~des~~ take

none (or nonexistent)

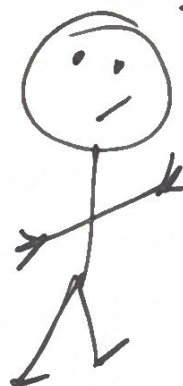

Aliens use computer systems to
scour space to find other
universes. They are hard to find
why? because God spaces them
out so far they can't find them
easily.

in Heaven almost all will
have ~~a~~ a human body
some may not.

• You can ~~live~~ live in spirit

New Sex

4/23/2026

Set is a lot more than you thought you knew.

A smaller dick can produce a larger and more pleasant orgasm than a previous large dick. Utilizing more nerves' capabilities.

- You feel both male + female at once. —————
- Even sucking weiners ("Aliens are cocksuckers"). (illegal, prison time).
- You fall in love through God (memories, feelings, etc.). Entwine *
Entwining *
 - Your Soulmate has incredible capability because of your lives together. (~ 200 lives together).
 - Extremely illegal!!! Prison time. ———→ As humans, I believe

For Now + in the past

4/23/2026

- I took a break from the message some for people to learn the truth.
- I keep appearing as others in spirit, maybe. (Also Ashley)
- Do not pray for dumb, evil, malicious things. *
- People say things through me that I do not say/think. *
- People make Ashley think I am telling her I do not like her. — I love her anyway, always.
Why? because she has sex & wants her to hate me. — because they don't like her. — She's my soulmate!
because they want to protect me ^{hus.} Don't protect me! pray to undo prayers!
- People would look like me and other versions used to rape others in spirit.
• Not me! They'll have to pay the consequences.
- Never had sex with a kid in real life or was ever aroused by a kid in real life sexually. I had a chubby from nowhere on different occasions, but was never sexually weird. ~~In the message there was a scenario where I said I promised a seemingly kid that I would immediately make them God after they~~

Constables (unmovable statutes)

9/23/2026

• Memories are extremely sacred. We do not delete them, modify them, create, steal, add them. Although, some have/are. Only God should if any i that would not inject be knowable to anyone, but God.

{ Only under
extreme circumstances }
(if any at all)

- We never control anyone, under any ~~circumstances~~ circumstances ever; except God ^{himself/herself} (for the message).
- We don't read minds, ever! except God in their own Being.
- We don't be in other Beings, except by the permission of God, or the Being that inhabits their body by spirit. See above.
- We don't steal objects, or duplicate objects; especially when they aren't yours in the first place.
 - ↳ unless given permission by God.
 - ↳ Why? we live by sacred values. Money is real; life is real!
- We don't hurt others.
 - ↳ hardly ever would someone punch another ever, like never! (illegal)
- We don't manipulate matter, ~~not~~ without permission! easy to ask later.
- We don't supply fake feelings. They are based off real things; even sex.
- Our personalities come from God until God allows us the certification to alter or select them.
- We don't create programs to alter our Being until God certifies us to do so.

Identifiers

Do not fuck anyone! Stay alone if at all possible until I get with my Soulmate to let everyone know 100% who their Soulmate is.

- No hand sex by another, no kissing, no touching - Stay alone.
- Be abstinent.
